ECR 7200

ECR7200 is the compact, thermal printer entry level model of the Olivetti ECRs' line.
Thanks to its **elegant black casing design** and to the "easy-to-use" **advanced performances**, it is optimal to be used in small shops and businesses.
Equipped with a **fast alphanumeric thermal printer, a large-size display and a professional colour-coded keyboard**, **ECR7200** perfectly combines **design**, **ergonomic** and **innovation**, respecting the best Olivetti tradition.
The maximum security and efficiency are guaranteed by **memory protection**, **management of codes and passwords associated to each cashier** and by the sturdy, integrated, key-locked cash drawer.
ECR7200 is the right solution in the service of any retail environment.
